MORLAN TY ROGERS, being duly sworn, deposes and says:

1. I am a member of the bar of this Court and an associate of Beldock Levine & Hoffman LLP, attorneys for defendant Tenise Barker (incorrectly sued herein as "Denise" Barker), and respectfully submit this affidavit in support of her motion for an Order, pursuant to Rule 12(b)(6) of the Federal Rules of Civil Procedure, dismissing the Complaint herein on the ground that it fails to state a claim upon which relief can be granted. A copy of the Complaint is annexed hereto as Exhibit "A".

2. The Complaint alleges in conclusory fashion and upon information and belief that defendant used an online media distribution system "to download [certain allegedly copyrighted recordings], to distribute [them] to the public *and/or* to make [them] available for distribution to others." Complaint, ¶ 12 (italics added). The Complaint makes no attempt to describe the specific acts of infringement or the dates and times on which they allegedly occurred.

3. Annexed to the Complaint are two exhibits – a list prepared solely in connection with this litigation showing songs that were downloaded by plaintiff (Exhibit A), and a printout made with Kazaa software which merely lists songs that were allegedly made “available” through the allegedly offending internet account (Exhibit B). Neither exhibit sets forth any actual act of infringement or the date or time of any such act.

4. As set forth in the accompanying Memorandum of Law, a copyright infringement claim which fails to give notice of any actual acts of infringement must be dismissed.

5. Pursuant to 17 U.S.C. § 505, defendant requests that the Court award her the reasonable attorneys’ fees.

**WHEREFORE**, it is respectfully requested that the Court grant the within motion and enter an Order dismissing the Complaint and awarding reasonable attorneys’ fees to defendant.

**COMPLAINT FOR COPYRIGHT INFRINGEMENT**

Plaintiffs, by their attorneys Cowan, Liebowitz & Latman, P.C., for their complaint against Defendant, allege:

**JURISDICTION AND VENUE**

1. This is a civil action seeking damages and injunctive relief for copyright infringement under the copyright laws of the United States (17 U.S.C. § 101 et seq.).

2. This Court has jurisdiction under 17 U.S.C. § 101 *et seq.*; 28 U.S.C. § 1331 (federal question); and 28 U.S.C. § 1338(a) (copyright).

3. This Court has personal jurisdiction over the Defendant, and venue in this District is proper under 28 U.S.C. § 1391(b) and 28 U.S.C. § 1400(a), in that the Defendant resides in this District, and the acts of infringement complained of herein occurred in this District.

## PARTIES

4. Plaintiff Elektra Entertainment Group Inc. is a corporation duly organized and existing under the laws of the State of Delaware, with its principal place of business in the State of New York.

5. Plaintiff UMG Recordings, Inc. is a corporation duly organized and existing under the laws of the State of Delaware, with its principal place of business in the State of California.

6. Plaintiff Virgin Records America, Inc. is a corporation duly organized and existing under the laws of the State of California, with its principal place of business in the State of New York.

7. Plaintiff SONY BMG MUSIC ENTERTAINMENT is a Delaware general partnership, with its principal place of business in the State of New York.

8. Plaintiffs are informed and believe that Defendant is an individual residing in this District.

**COUNT I**  
**INFRINGEMENT OF COPYRIGHTS**

9. Plaintiffs incorporate herein by this reference each and every allegation contained in each paragraph above.

10. Plaintiffs are, and at all relevant times have been, the copyright owners or licensees of exclusive rights under United States copyright with respect to certain copyrighted sound recordings (the "Copyrighted Recordings"). The Copyrighted Recordings include but are not limited to each of the copyrighted sound recordings identified in Exhibit A attached hereto, each of which is the subject of a valid Certificate of Copyright Registration issued by the Register of Copyrights. In addition to the sound recordings listed on Exhibit A, Copyrighted Recordings also include certain of the sound recordings listed on Exhibit B which are owned by or exclusively licensed to one or more of the Plaintiffs or Plaintiffs' affiliate record labels, and which are subject to valid Certificates of Copyright Registration issued by the Register of Copyrights.

11. Among the exclusive rights granted to each Plaintiff under the Copyright Act are the exclusive rights to reproduce the Copyrighted Recordings and to distribute the Copyrighted Recordings to the public.

12. Plaintiffs are informed and believe that Defendant, without the permission or consent of Plaintiffs, has used, and continues to use, an online media distribution system to download the Copyrighted Recordings, to distribute the Copyrighted Recordings to the public, and/or to make the Copyrighted Recordings available for distribution to others. In doing so, Defendant has violated Plaintiffs' exclusive rights of reproduction and distribution. Defendant's actions constitute infringement of Plaintiffs' copyrights and exclusive rights under copyright.

13. Plaintiffs have placed proper notices of copyright pursuant to 17 U.S.C. § 401 on each respective album cover of each of the sound recordings identified in Exhibit A. These notices of copyright appeared on published copies of each of the sound recordings identified in Exhibit A. These published copies were widely available, and each of the published copies of the sound recordings identified in Exhibit A was accessible by Defendant.

14. Plaintiffs are informed and believe that the foregoing acts of infringement have been willful and intentional, in disregard of and with indifference to the rights of Plaintiffs.

15. As a result of Defendant's infringement of Plaintiffs' copyrights and exclusive rights under copyright, Plaintiffs are entitled to statutory damages pursuant to 17 U.S.C. § 504(c) for Defendant's infringement of each of the Copyrighted Recordings. Plaintiffs further are entitled to their attorneys' fees and costs pursuant to 17 U.S.C. § 505.

16. The conduct of Defendant is causing and, unless enjoined and restrained by this Court, will continue to cause Plaintiffs great and irreparable injury that cannot fully be compensated or measured in money. Plaintiffs have no adequate remedy at law. Pursuant to 17

U.S.C. §§ 502 and 503, Plaintiffs are entitled to injunctive relief prohibiting Defendant from further infringing Plaintiffs' copyrights, and ordering Defendant to destroy all copies of sound recordings made in violation of Plaintiffs' exclusive rights.

WHEREFORE, Plaintiffs pray for judgment against Defendant as follows:

1. For an injunction providing:

"Defendant shall be and hereby is enjoined from directly or indirectly infringing Plaintiffs' rights under federal or state law in the Copyrighted Recordings and any sound recording, whether now in existence or later created, that is owned or controlled by Plaintiffs (or any parent, subsidiary, or affiliate record label of Plaintiffs) ("Plaintiffs' Recordings"), including without limitation by using the Internet or any online media distribution system to reproduce (*i.e.*, download) any of Plaintiffs' Recordings, to distribute (*i.e.*, upload) any of Plaintiffs' Recordings, or to make any of Plaintiffs' Recordings available for distribution to the public, except pursuant to a lawful license or with the express authority of Plaintiffs. Defendant also shall destroy all copies of Plaintiffs' Recordings that Defendant has downloaded onto any computer hard drive or server without Plaintiffs' authorization and shall destroy all copies of those downloaded recordings transferred onto any physical medium or device in Defendant's possession, custody, or control."

2. For statutory damages for each infringement of each Copyrighted Recording pursuant to 17 U.S.C. § 504.
3. For Plaintiffs' costs in this action.
4. For Plaintiffs' reasonable attorneys' fees incurred herein.
5. For such other and further relief as the Court may deem just and proper.
